I keep wondering to  
myself what I love  
mangoes. Normally,  
I'm not into tropical  
fruits. However, one  
night, while I was  
rushing to meet the  
deadline, I was  
eating mangoes. Since  
then, I'm obsessed  
with mangoes.

I'm so-so with the  
Philippine mangoes  
but I think Mexican  
mangoes are the best.  
They burst with  
flavor and are super-  
sweet. The domestic  
mangoes aren't as  
flavorful but I have  
no choice there.  
It's funny to serve  
mangoes to people  
who don't know how  
to eat them. It's  
hard to get them in a  
childish fashion.

Ppp!

OH, THIS  
IS NO BIG  
DEAL!

AS LONG  
AS I LIVE.

I realized  
one thing:

Watching  
her stoned  
expression

WHY DON'T  
YOU JUST  
CALL?

IF YOU'RE  
GONNA ASK  
EVERY 5  
MINUTES,

OR—

DID ANYONE  
CALL WHILE I  
CLEANED?

That even the  
world's most  
handsome boy-  
friend must NOT  
step in dog poop!

①

When I watch TV or movies, I occasionally get struck by inspirations. I'll scribble on any scrap I can find. But often I lose what I find written. I wonder if this is an occupational hazard. When I clean my house, I find scraps everywhere. On one of them, I wrote "a serviced trailer." When the fact was I, thinking when I wrote their things for this happen all the time. That's why I have cleaned my voice.

Beauty is the Soul - EYE

I wanted to select the best name for the most convincing resident (the glasses lady) in the story, so I asked readers to submit their suggestions and justifications. Here are some excerpts:

- Sawayama Michiko: I LOVE her! Please use my name.
- Fujinaga Sayumi: Even if it's only a fantasy, let me be Emi and company's dammerle!<sup>\*</sup> (Many readers said the same thing)
- Kamata Yukio: If the lovely Emi calls me by my name, maybe I'd grow to like it!
- Minogishi Mawa: If my name got used, I'll strongly promote "Beauty is the Beast!"
- Takouchi Kotome: Hope my name will be used, 4649<sup>\*\*</sup>
- Yasuda Yuka: My nick "Yassen" is like the detective Yasuue in Higuro Koy<sup>\*\*</sup>
- Tagami Kimiko: We share the same passion! Whenever the year-end big horse race is on, everything else ceases to exist for me!

To my surprise, many people said "She looks just like me!" they even drew glasses on their pictures. [Some wrote how they got their names and stories of their names.] Some people created names for her as well.

It was fun!

Thank you!! for participating!
